

# Kindergarten In Mrs. Fab's Room

Visiting the Museum

## All About Me!

The children have started their new unit. This unit will involve many writing activities. Today the children wrote rainbow poems that related to their favorite things.

Next week we'll continue with several new writing projects. A new book character, Little Critter, will be introduced as we read lots of books by Mercer Mayer. The children will also read, listen to, and write several poems.

The 5 senses are being studied, with several experiments coming up soon

**Send Pictures to School!**  
**If you have not sent your child's changing with the years pictures please do so soon.**  
**(5 or 6 pictures -each at a different age.)**  
**Thanks**

## Reminders:

Thanks, Harley, for the snacks!  
Next week's helper is Jadyn.

# No school this Monday.

Don't forget picture day Feb. 18<sup>th</sup>. You may send the money at that time for class pictures.

I am needing the slips from your child's progress reports. It lets me know you received their report. Please send them on Tues.

Thanks for all the special Valentines.

## Math Review

The end of the nine weeks is fast approaching. We'll be reviewing the math objectives and will be testing during the first week of March. Please check over your child's papers carefully and help him/her with the areas he/she struggles with.

Keep counting by 2s and 5s and backwards from 20.
