

Pet Day is Here

Dear Parents,

During our house unit we always set aside time for the children to share their pets. If your child would like to share his/her pet just call me and make arrangements.

The best time to bring the pet is usually the first thing in the morning, or at the end of the day. Calling first is very helpful, so we don't end up with several pets at the same time. You can reach me at home 785-421-3386 or you can call the school 785-421-3425.

It usually only takes a few minutes of your time to help your child share his/her pet, and the kids love getting the opportunity to do this.
